E-MAIL ADDRESS: ALEXASZEIFERT@GMAIL.COM

---

## RESEARCH AND WORK EXPERIENCE

- **Analysis of RNA modifications in human diseases with bioinformatic approaches**  
Semmelweis University Computational Biology Group  
*2019 -*
- **Pathogenetic Role of miRNAs in Inflammatory Diseases**  
Department of Human Genetics, University of Debrecen  
*2017 - 2019*

## EDUCATION AND EXCHANGE PROGRAMMES

**Molecular Bionics Engineering BSc, Pázmány Péter Catholic University**  
*2018 -*

**Kálmán Sántha College – Summer Science Camp, University of Debrecen**  
*2017*

**Erasmus + – Fit for work in Europe**  
*2014-2017*

## HONORS, AWARDS AND FELLOWSHIPS

**SUSTAINERGY 5 – International Renewable Energy Youth Workshop and Competition**  
*2018*

**XVIII. Scientific Conference organized by the Hungarian Research Student Movement**  
*2018*

Theoretical and Experimental Medicine, Gene Technology, Molecular Biology section, **1<sup>st</sup> prize**

**Scholarship for the Young Talents of the Nation**  
*2018*

**Hungarian Girls' Day – Association of Hungarian Women in Science**  
*2016-*
